

Modern School, Greater Noida

Session: 2023-24

Date: 29.08.23

Dear Parent and Student,

Effective learning does not always take place exclusively in the classroom, children need to explore their interests and interact with the diverse environment to build a community. At school, we wish to broaden learning horizons by engaging our students in co-curricular activities providing them opportunities for expression and aim to achieve holistic development.

The school is introducing Clubs for the session 2023 – 24 for the students from grade 3 onwards. Parents are requested to discuss and submit their ward's choice in sequence of preference. Although we shall try to accommodate child's preference; at times it may not always be possible to allot the first and second choice keeping various parameters in mind.
